

# DIRECTION CLASSIC

## TRADITIONAL LOOKS AND HARMONIOUS STYLES

RIBBED LEG - STRAIGHT DESK WITH STRAIGHT RETURN

**“The Direction Classic** range offers a generous work space and is ideal to welcome visitors and work with all my colleagues. I chose a cherry finish to achieve a classical, highly elegant style.”

**FINISHES**

Structurex® imitation finish

**DATA SHEET**

**The Direction Classic leg** is made of Structurex® with imitation black ash finish. 20 cm wide for the straight desk and 10 cm wide for the curved desk, it is equipped with jacks and features a ribbed and coated black profile on the front and back.

**The Direction Classic desks** are 74 cm high.

**The Structurex® desk tops** are 25 mm thick for straight desks and 28 mm thick for curved desks. They are protected by 2 mm thick shock-proof ABS edging. The straight desks are equipped with two 60 mm diameter cable ports.

**The structural** modesty panels are made from 16 mm thick Structurex® for straight and curved desks.
