Complementary units

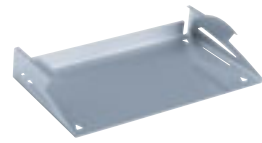

Puebla

Stylish and functional, this range of accessories from designer Thierry Jacotet offers a choice of clever ways to solve your filing and storage problems. Made from epoxy lacquered steel and available from stock in aluminium (SA), graphite grey (SC) or white (SO), Puebla accessories are compatible with all 2nd level rails and screens.

2nd level rails

Unpretentious, robust and practical, these rails are compatible with all ranges of 2nd level accessories, lamps and flat screen monitor stands. Whether fitted to solo or to face-to-face desks, they are the ideal way to ensure the work surface remains clear and uncluttered. Rails are also very versatile, being suitable for desktops of all lengths and thicknesses thanks to a choice of different clamp fittings. They are available from stock in aluminium (SA) and graphite grey (SC), or on request in white (SO).
