Uncomplicated, yet elegant, Steel 3.0 is suitable for all types of office. Whatever your taste, you'll be spoilt for choice by the range of possibilities offered by this stylish, versatile collection.

Designed with comfort in mind, the Steel 3.0 range features centrally positioned legs to facilitate the passage of cables between adjacent desks. Cables can also be routed through the structural beam and within the legs themselves to create a tidier, professionally-run office.

Height-adjustable legs

Cable management within the beam and legs

Fixed height Steel 3.0 desk
